(2) Dual 40 lbs tanks to hold up to 80 lbs of propane.
2 units included in this bundle
Pressure Pro Propane Tank Cylinder 40 lbs or 9.2 gallons MAN1220

One one tank runs out, turn off propane and switch hose to the other tank.
Fill up first tank before 2nd tank runs empty.

• Tanks are Pre-purged vacuum ready for filling with LP gas - they are x-ray and hydrostatic tested plus Department of Transportation (DOT) and Transport Canada (tc) certified
• High quality - each tank is constructed from high grade Welded Steel and powder coated for long lasting durability.
• Premium valve - Premium OPD (overfilling prevention device) valve assembly which is required by law in most States, if your tank doesn't have this, most places won't fill it!
• Leading the industry - leader in propane storage solutions, prides themselves on making the highest quality, premium, refillable propane tanks on the market. From 1lb up to 100lb tanks, we've got you covered
• Suit your needs - With a standard-size connection valve, This large 40 lb tank will connect as easily as smaller tanks, and work with RVs or trailers, propane tank attachable heaters, and other accessories.
