Sale 50% off Promo E&O2022

List price \$1,820 X 50% off = \$910.00

2022-12/31 Limited stock; 37 units in KS warehouse

AMG 3200 is a petrol-powered drive unit for Husqvarna AA and AZ Mechanical Concrete Vibrator Head/Shafts. The fuel-efficient, rubber-mounted Honda GX 160 petrol engine delivers reliable power all workday long in all conditions, and is easy to service if needed. A sturdy coupling with quick release allows for problem-free power transmission to the flexible shaft (not included.)
