Model Number: S-300H D

Demo Mytee S300H D Used Tempo HEATED Spotter Extractor 1.5gal 55psi 2 Stage Hand wand and hose set GTIN 400014038707

Manufacturer: Mytee Products Inc

Used Mytee S-300H Tempo HOT Compact Light Weight Auto Detail Machine For Upholstery Cleaning, Car Interiors, and Mattress Cleaning. Rated A

S-300H Tempo™; Heated Extractor is a sub-compact machine, but a full-size performer.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no original factory box, used to make this video above, etc. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available, your letting some other customer place the order ahead of you! Please do not delay on this once in a lifetime deal.

All sales are final.

Same factory warranty as brand new: 1 years parts!

Extend the warranty to 3 or 5 years for a little more.

Condition of this machine: "A" Only 1 at this price! Less than 40 hours of use.

All used / demo have been tested and confirmed in full working order, then all the water is blown out so it will not freeze during shipping. Unit might require re-priming the water pump to build pressure.

Don't let its small size fool you — Mytee's® S-300H Tempo™; Heated Extractor is a powerhouse. Perfect for serious auto detailing, carpet, and upholstery spotting, the 600 watt heated S-300H Tempo™; packs a lot of power into a small package. And at only 26 pounds, you'll find that the Tempo™; takes a load off your back, without taking a load out of your wallet.

Features:

- One of the most powerful vacuum motors in its class producing 85' of water lift for maximum extraction

- Powerful 600 watt heater

- Two-stage vacuum motor reduces dry times

- 1 gallon tank capacity (approx.)

- Compact design — weighs only 26 lbs., easy to transport and store.

- Convenient transport handle and wheels

- Durable in roto-molded housing

>
