Husqvarna PG 450 Floor Concrete Grinder 3Hp 230V 13Amp 1Yr HEPA Vacuum W Segments  
PG450 19Inch Bundle 20230301

Manufacturer: Husqvarna Equipment

Husqvarna PG 450 Floor and Concrete Grinder 3Hp 240V Dual Power Cord Supply  
And Freight Included 967278105 1 Year Warranty 967648605 In stock in SATX

PG 450 is a versatile and user-friendly planetary floor and concrete grinder.  
Perfect for a wide range of applications, e.g. coating removal, concrete grinding and  
concrete polishing.

It is also suitable to use to make Husqvarna HiPERFLOOR®.

With its 18 in. grinding width it is excellent for both small hard to get to areas, as well  
as larger surfaces.

It is ideal for rental and both professional and semi-professional applications due to its  
many self-adjusting benefits.

1-phase means it is suitable for industrial and domestic applications.

It can easily be folded and divided without tools for transport and storage.

Factory Installed NEMA L6-20 Plug + Dual power cord supply for plug in everywhere  
portability!

The PG 450 come in two versions.

A light duty 120 volt 2 HP 19 amp / 2280 Watt version and the heavy duty 3 hp 240  
volt 13 amp / 3120 Watt version.

This webpage is for the heavy duty 3 hp 240 volt version PLUS the dual power supply  
converter so you can still plug into standard wall outlets.

Way easier to plug in two power cords at 13 amps each than a single power cord at  
19 amps, and faster (more RPM's) with the larger heavier electric motor too!

Please note that every building has 15 amp breakers, and not every build has 20 amp  
breakers.

Universal 2" vacuum hose connection.

Factory power cord is 1 foot long.

Bundle Includes:
