Clean Storm 20230404 Stainless Steel Wall Mounted Cold Electric Pressure Washer 2000 psi 4 Gpm 460 Volts 3 Phase

Manufacturer: Clean Storm

Clean Storm 20230404 Stainless Steel Wall Mounted Cold Electric Pressure Washer 2000 psi 4 Gpm 460 Volts 3 Phase

The Stainless steel Wall Mount cold water electric powered pressure washer has been one of the most popular designs in the Clean Storm line since its introduction 25 years ago. Made in industrial painted frame or full stainless steel frame for use in the toughest of environments and the cover offers protection of your investment. The style easily mounts to wall using a mounting bracket that is permanently mounted to an adequately reinforced wall. Then the machine frame slides into place on the plate. Frame offers two hooks for storage of the hose and trigger gun. Cover offers grommets for storage of your Q-Meg nozzles and the dual chemical valve offers the freedom to choose between two different concentrate chemicals at the turn of a knob that also controls the proportion of detergent. Deluxe pressure washer features include an industrial motor that is totally enclosed and thermal overload protected, industrial triplex plunger pump with ceramic plungers and stainless steel valves is protected by unloader valve. This 2000 PSI pressure washer is equipped with low pressure chemical injection for application of concentrate liquid detergents and is activated by using the soap tip. 0°, 15°, 25° and 40° Q-meg tips and trigger gun included.

Product Specifications

- Brand: Clean Storm
- Water Type: Cold
- Powered By: Electric Motor
- Mounting Type: Wall Mount
- Flow Rate in GPM / LPM: 4 / 15.2
- Horsepower: 5
- Product Dimensions: 28" x 22" x 30"
- Voltage / Amperage / Phase: 460 Volt / 7 Amp / 3 Phase
- Pump Thermal Protection: Mechanical
- Max Pump Inlet Water Temp: 160° F
- Hose Dimension: 50' x 3/8"
- Power Cord: 10'
- Ship Weight: 240
- Operating Pressure in PSI / Bar: 2000 / 138
