Description

The Clean Storm 000-078-226 Truck Mount Hose Set delivers reliable performance and convenience for commercial carpet and tile cleaning professionals. Featuring a comprehensive 150-foot total reach, this complete bundle combines heavy-duty, double-walled vacuum hoses with high-pressure, non-marking solution lines pre-fitted with quick disconnects and ball valves for immediate job site operation. Engineered for optimal air flow and fluid delivery, this hose set includes rugged plastic joiner couplers to securely connect the 50-foot sections into a seamless 150-foot setup, making it an essential upgrade or replacement assembly for high-powered truckmount extraction systems.

Features

- Complete 150 ft (46 m) total reach combining high-pressure solution and vacuum hoses
- Heavy-duty double-walled 2.0-inch ID vacuum hose built to withstand extreme truckmount suction
- Non-marking 1/4-inch solution hose rated for continuous high-pressure operation up to 3000 PSI
- Includes brass Quick Disconnect (QD) fittings and inline ball valve for convenient water control
- Includes durable 2-inch OD slip plastic joiner couplers to seamlessly link hose sections together
- Designed for commercial carpet cleaning, tile and grout restoration, and hard surface extraction
