Karcher Legacy Shark Landa Hotsy Pressure Washing Hoses Reels and Repair Parts

Model Number: Hose and Reels and Parts

Karcher Legacy Shark Landa Hotsy Pressure Washing Hoses Reels and Repair Parts

Manufacturer: Karcher Pressure Washing

Steam Brite offers over 100 different types of replacement hoses available in one or two-wire braids, providing more durability to handle high pressure. You don’t need to trade strength for flexibility – the Tuff-Skin hose gives you both. Most hoses are available in four different lengths, so if you need a longer hose, choose the one that best meets your needs.

We also carry a nice selection of hose reels, which attach to your pressure washer to keep the hose conveniently stored, while allowing the hose to pivot or rotate easily on the pressure washer. Hose reels also keep the hose up off of the ground, away from added grime and contaminants.
