50 Feet SuperFlex HP Solution Line – Quick-connects and Shutoff
50 Feet, Blue 1/4″ diameter, M/F with quick-connects and Shutoff valve

Solution Lines are newly engineered and unlike any other hose on the market. For high heat in high pressure truckmount use. Improved flexibility for easier use. Equipped with molded bend protectors to relieve stress and reduce failure and leaks. Complete with quick disconnect fittings and shutoff valve to relieve pressure to disconnect. Comes in blue color to match our vacuum hoses. Available in a variety of other lengths and combinations of male and/or female disconnects.
