HydraMaster 950-120-C, SoilBreak, Prespray, 40 pound Drum

Manufacturer: HydraMaster

All HYDRAMASTER ORDERS ARE FINAL, NON-CANCELLABLE, NO REFUNDS, PRICES SUBJECT TO CHANGE BASED ON DATE SHIPPED!

SoilBreak
High Powered Powder Enzyme Carpet Pre-Spray

Description
High Powered Powder Enzyme Carpet Pre-Spray
SoilBreak is a synergistic concentration of enzymes, solvents, surfactants and builders that work together to tackle the most stubborn build-up of caked on oil, grease, protein and sticky soils in the most challenging environments. SoilBreak an ultra-concentrated powder that is ideal for pre-spraying of restaurant carpets, automotive repair centers, and other carpets that are subjected to massive amounts of oil and grease based soiling.
Unlike some enzyme pre-sprays that are sensitive to alkalinity and extremely hot water, SoilBreak contains a combination of enzymes that can be used in conjunction with your truckmount and high performance portable extraction equipment. This unique combination of enzymes works to accomplish the task in less time than with conventional enzyme pre-sprays. SoilBreak breaks down surface tension fast, allowing detergents and rinse agents to clean deep down. It has an In-use pH of 11.3-11.9, depending on dilution with a pleasing lemon fragrance. One pound of SoilBreak can clean up to 8,000 square feet of carpet.

- SoilBreak is a synergistic concentration of enzymes, solvents, surfactants and builders that work together to tackle the most stubborn build-up of caked on oil, grease, protein and sticky soils in the most challenging environments.
- SoilBreak is an ultra-concentrated powder that is ideal for the prespraying of restaurant carpets, automotive repair centers, and other carpets that are subjected to massive amounts of oil and grease based soiling.
- Unlike some enzyme presprays that are sensitive to alkalinity and extremely hot water, SoilBreak contains a combination of enzymes that can be used in conjunction with your truckmount and/or high performance portable extraction equipment.
