HydraDri
High Performance Powdered Truckmount Carpet Extraction Detergent

HydraDri is an ultra-concentrated, heavy duty extraction detergent especially formulated to work at cleaning temperatures associated with truckmounts and heated portable extractors. HydraDri out-performs competitive products in side by side testing and is economical to use. HydraDri is highly concentrated, with anti-corrosive agents and low foaming properties, which makes it ideal to use in all hot water extraction units. HydraDri is a minimum residue cleaner, which allows for a longer lasting, higher level of appearance between professional cleanings. It contains corrosion inhibitors to protect equipment components and has a non-tacky formulation that keeps the carpet from resoiling faster.
HydraDri contains a unique blend of solvents, detergents, and alkaline builders that break down and dissolve the toughest soils, while simultaneously softening the water for a cleaner, fresher, softer feel to the carpet after cleaning. The tropical breeze fragrance leaves the carpet, and the room, refreshed. The extra light flake nature of HydraDri makes it easier to mix, and when used according to directions, the formulation is compatible with warranted residential stain resistant carpets.

Right to Know Info
Below is a list of components required to be disclosed under the California Cleaning Product Right-to-Know Act of 2017.
Ingredient Name | CAS# | Function | Designated List(s)
Sodium tripolyphosphate | 7758-29-4 | builder
Sodium carbonate | 497-19-8 | alkali
Tetrasodium EDTA | 64-02-8 | Chelating agent
Sodium metasilicate, pentahydrate | 10213-79-3 | builder
Ethoxylated alcohol, C9-11 | 68439-46-3 | surfactant
Sodium sulfate | 7757-82-6 | Processing aid
Propylene glycol butyl ether | 5131-66-8 | Cleaning aid
PPG-2 methyl ether | 34590-94-8 | Cleaning aid
Polyether modified siloxane | withheld | surfactant
linalool | 78-70-6 | fragrance | 23
d-limonene | 5989-27-5 | fragrance | 23
Benzyl benzoate | 120-51-4 | fragrance | 23
Hexyl cinnamic aldehyde | 101-86-0 | fragrance | 23
Acid blue 80 | 4474-24-2 | colorant
