HydraMaster 950-177-B DeFoam Powder Defoamer 4 x 8 pound Jug Case

Manufacturer: HydraMaster

All HYDRAMASTER ORDERS ARE FINAL, NON-CANCELLABLE, NO REFUNDS, PRICES SUBJECT TO CHANGE BASED ON DATE SHIPPED!

DeFoam

Powdered Defoaming Additive

DeFoam® is a powerful anti-foaming agent that can breakdown even the toughest detergent residues. One of the most frustrating things a carpet cleaner can face is when the recovery tank fills up and it is 90% foam. HydraMaster powdered DeFoam® contains a trade secret anti-foaming agent. When sprinkled on the carpet, DeFoam® breaks down foam before it gets to your machine. It is safer for you and your customers – the active ingredient is also used in food processing.

Unlike some liquid defoamers that leave a sticky residue behind, HydraMaster DeFoam is a residue free formula. It breaks down existing foam residue which makes your vacuum recovery more efficient and keeps your waste tank from prematurely filling up. It prevents foam from forming in wands and hoses. Best of all, the odorless granules will not affect pH or alter cleaning performance.

Right to Know Info

Below is a list of components required to be disclosed under the California Cleaning Product Right-to-Know Act of 2017.

Ingredient Name	CAS#	Function	Designated List(s)
Sodium chloride	7647-14-5	Processing aid	
Water	7732-18-5	Processing aid	
dimethicone	63148-62-9	Defoaming agent
