Model Number: 20230623

Clean Storm 20230623 Truck Mount Solenoid Valve 12 Volts Hot Water 2900 Psi 1/4in Fip

Manufacturer: Clean Storm

Clean Storm 20230623 Truck Mount Solenoid Valve 12 Volts Hot Water 2900 Psi 1/4in Fip

Solenoid Valve are used to control truckmount water temperatures.

Valve Type: 2 Way Normally Closed (Valve opens with energized)

Service Media: Air, Gas, Liquid, Water

Operation Model: Direct Acting

Flow Model: Uni-Directional

Body Material: 304 Stainless Steel

Seal Material: Teflon (PTFE)

Armature Tube Material: Stainless Steel

Spring & Plunger Material: Stainless Steel

Coil Certification: CE Certification

Coil Voltage: 12V DC

Coil power: 8W

Coil Class: H Class IP 65

Coil Duty: 100% ED (Continuous Duty)

Operating Pressure: 0 - 2900 PSI

Operating Temperature: -20 to 80 °C

Port Size: 1/4" Inch NPT Female Port

Voltage Tolerances: DC: +10% –5% ; AC: +10% -15%

Electrical Connection: DIN 43650A Connector with LED Indicator
