Professional Spotting Kit

Everything you need for almost every spot and stain

The HydraMaster Professional Spotting Kit contains our most popular spot and stain removing solutions designed for the cleaning professional.

Surveys of consumers who have hired a professional cleaner clearly show that one of the primary reasons someone hires you is because they think you can do a better job of removing problematic stains. Many stains previously described as permanent can now be safely and effectively eliminated by the solutions in this kit.

Each kit contains:

- Quart of KnockOut 1—Oxidizing Stain Remover
- Quart of RedBreak 1—Red Stain and Colored Food and Drink Stain Remover
- Quart of OJ—Gelled Citrus Solvent Speciality Adhesive and Gum Remover
- Quart of SpotMaster Gel XP—Gelled Stain Remover for Oil Based Spots and Stains
- Quart of SpotMaster Pro XP—First Response Spot and Stain Remover
- Quart of UPS—Acid Spotter and Urine Pretreatment
- Tamping brush
- Bone (spotting) spatula
- Six (6) absorbent cotton towels
- Insulated carrying bag
