NEW Pegasus 500H Heated Carpet Extractor

Get instant heat with the Pegasus' state-of-the-art 1750W in-line heater with resettable breaker! You'll be able to quickly go from carpet to upholstery with the adjustable 50-500psi pump with unloader valve creating powerful 200 CFM & 100" water lift! The Pegasus is available in 1.5" or 2.0" Vacuum Inlet. True up-right design for easy mobility and dual top-mounted vacuum motors in parallel configuration. Independent 1.5" ball float shut-off valve & airflow check valves for each vacuum motor. Vacuum inlet water diffuser technology means less turbulence & foaming in the recovery tank. Create the Ultimate Package with the Sharp Shooter 13" Wand and 25' hose set!
