Limited sale to stock, then once sold out, back orders not allowed at this price.

Husqvarna Smart is our most powerful concrete vibrator for professional customers. It is an electronic high frequency vibrator with an intelligent, integrated frequency converter, combining reliability and performance with the latest technology. The high centrifugal force, stable speed and high amplitude ensure excellent concrete vibration with fewer dips. It's ergonomic design reduces hand/arm vibrations, while the lengthy cable and hose provide exceptional reach.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, used to make a factory video, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you.

All sales are final.

Same factory warranty as brand new: 1 years parts!

Extend the warranty to 3 or 5 years for a little more.

Condition of this machine: "A+"

Only 1 at this price!

Our demo equipment usually has less than 100 hours on it.

Photos are not available as these ship from the factory rep direct to the customer and have already been cleaned, refurbished, tested, and packaged.
