Tornado TS120-S59-UC 20 inch Cordless Ride-On Floor Scrubber 21 gallon with Lead Acid Battery Freight Included

Model Number: TS120-S59-UC

Tornado TS120-S59-UC 20 inch Cordless Ride-On Floor Scrubber 21 gallon with Lead Acid Battery Freight Included

Manufacturer: Tornado

BDSO 20/21 Stand-On Rider
Auto-Scrubber
The new Tornado BDSO 20/21 Stand-On Scrubber combines the comfort and efficiency of a rider with the practicality of a small scrubber. This 20" stand-on model can be maneuvered easily through standard-size doorways and in tight spaces thanks to its low profile, tight 53 inch turning radius, 90 degree steering and squeegee rotation that follows the machine on every curve. Spend less time cleaning floors with the ability to cover 22,000 sq. ft./hr. and the flexibility to tackle a variety of floor surfaces. The 48.5 lbs of down pressure and 140 rpm of agitation maximizes soil removal, while the water recovery system provides a streak-free clean that leaves floors dry and safe. This 20” scrubber packs in big features that keeps downtime to a minimum, like a sink fill hose that attaches to a faucet and the on-board squeegee lever that provides the ability to do a double scrub without exiting the machine. The intuitive controls reduce the training time for even your most inexperienced employees. Clean any time with quiet operation of less than 70 dB and continue to clean for up to four hours with the optional battery.

Features

- Intuitive controls minimizes training time
- 90° squeegee rotation in both directions follows the machine on every turn
- Tight 53 inch turning radius
- Easy-turn steering wheel knob for one-handed operation
- Solution fill hose that can conveniently attach to a faucet
- Inline solution filter for optimal solution flow
- Easily-accessible design keeps downtime to a minimum
- Low-profile provides clear sight lines
- On-board charger
- Convenient squeegee lever for double scrubbing
- Optional batteries provides up to four hours of continuous use
