Promo Code 50%Off Promo Applied Sold Each

All Sales Final

The E-line series is an all-round resin bond tool for handheld machines with Velcro back ranging from surface leveling and grinding down to the finest steps of polishing. The E-line series is a good choice for dry-processing of natural stone such as marble, terrazzo, and limestone. This tool is also perfect for honing and polishing of staircases and bench-tops. The recommended speed is 3800 rpm. The tools are color-coded with HTC standard colors.

Sold Each

All floor machines will need at least 3-9 units to work correctly

Photo is not accurate but rather a representation of how they could look.

Color and shade of item is not guaranteed.

Felt connection system on back.
