Plus 8mm  
3 Inch Resin Pad 200 Grit Sold Each 50%OFF Promo Applied

Sale limited to the next 41 units (July 2023)  
Ships from the KS location.

Granilux Pad is a hybrid, transitional diamond pad that works exceptionally well for concrete, terrazzo, marble, and granite floors.

The pad's resin matrix is uniquely formulated for an aggressive cut that leaves a fine scratch pattern for further polishing.

For use on new, unsealed concrete as well as epoxy and portland-based terrazzo and stone floors. Also, can be used as a closing step or first step of restoration.

#### Features

- Hybrid matrix for aggressive cut on concrete, terrazzo, marble, & granite floors
- Leaves a fine scratch pattern
