Manufacturer: Husqvarna Equipment

Husqvarna 593326301 HTC EZ FP 9 Yellow 1500 grit 3 Pack 25%OFF Promo Applied HTC Resin Tools (FP Series)

For Final Polishing to achieve maximum gloss

Our FP-series is an excellent polishing tool that is very appreciated for its outstanding performance in creating a high gloss. Hence, it is our recommended tool for the final polishing steps in the HTC Superfloor[®] process (yellow and green step). The FP tool is our recommendation for wet grinding and polishing of granite.

EZ FP 9 Yellow – 1500 grit

Item Number: 593326301

805544571777

Our FP 50 tool is an excellent polishing tool that is very appreciated for its outstanding performance in creating a high gloss. Hence, it is our recommended tool for the final polishing steps in the HTC Superfloor[®] process. The FP tool is also our recommendation for wet grinding and polishing of granite.
