Husqvarna 593727701, 17 Inch Elite RING SAW Concrete Cutting Diamond BLADE, R1410 R10 425mm, GTIN 805544651691

Model Number: 593727701

Husqvarna 593727701, 17 Inch Elite RING SAW Concrete Cutting Diamond BLADE, R1410 R10 425mm, GTIN 805544651691

Manufacturer: Husqvarna Equipment

Husqvarna 593727701, 17 Inch Elite RING SAW Concrete Cutting Diamond BLADE, R1410 R10 425mm, GTIN 805544651691
Description
Part of our Gold series of ring saw blades. The Elite-Ring R10 is the optimal choice when you are looking for the fastest cutting speed in hard materials like hard concrete, heavily reinforced concrete or natural stone. With Husqvarna, you're selecting the original ring saw blade.

Features

- Engineered with precision, expertise and experience. With Husqvarna, you're selecting the original ring saw blade – a benchmark of excellence, trusted by professionals worldwide for its supreme cutting ability and durability.

- Unlock impressive cutting depths with our top-tier ring saw blades. The 14”/370 mm blade can cut 10.6”/270 mm deep, while the 17”/425 mm option can achieve a generous depth of 12.8”/325 mm.

- A drive disc is included with every Ring blade.

- Developed for fast cutting in universal construction materials, with a focus on hard materials like granite and hard concrete.

- The segment edge design enables a good cutting speed when applying a new blade, regardless of rotation.

- The segments' design reduces their contact with the concrete surface. This provides a quick and controlled start when using a new blade.

Specifications
GENERAL
Article Description ELITE-RING™ R10 425 mm
Performance level Gold
Blade configuration Segmented
Coolant Wet
Power range, max kW 5.5 kW
Power range, min kW 4.3 kW

Husqvarna 593727701, 17 Inch Elite RING SAW Concrete Cutting Diamond BLADE, R1410 R10 425mm, GTIN 805544651691

DIMENSIONS
Diameter mm 425 mm
Segment height mm 13 mm
Segment length mm 33 mm
Segment width mm 4.2 mm
Article gross weight 1869 g
Article net weight 1550 g
MATERIALS
Brick Acceptable
Hard cured concrete Optimal
Medium cured concrete Optimal
Soft cured concrete Good
Natural stone Optimal
PACKAGING
Packaging length 530 mm
Packaging width 480 mm
Packaging height 10 mm
