Auto-Scrubber

The new Tornado BD 20/11L and BD 20/11LT Compact Scrubbers are built for easy operation and maintenance and to reduce cleaning and labor costs in an affordable package. Available in brush assist and traction drive, these 20" models have no trouble fitting through standard-size doorways and efficiently clean and dry small, congested areas in just one pass. The 48.5 lbs of down pressure and 155 rpm of agitation maximizes soil removal, while the water recovery system provides a streak-free clean that leaves floors dry and safe. Intuitive controls and pad assist technology reduces the training time for even your most inexperienced employees, while dependable parts and features like the easily accessible design that enables squeegees and brushes to be changed in seconds keeps downtime to a minimum. Clean any time with quiet operation of less than 70 dB and continue to clean for up to four hours with the optional battery.
