

Model Number: DCORB1420

Powr-Flite DCORB1420 Dust Control Orbital Floor Machine 20 inch Freight Included

Manufacturer: Powr-Flite

Orbital Floor Machine Dust Control Kit

Strip floors like never before with a Powr-Flite orbital floor machine paired with Dust Control Skirt and vacuum.

The Powr-Flite will remove the floor finish without a drop of chemical while the attached vacuum sucks up dust and floor finish through an exhaust port on the Powr-Flite. The dust control skirt keeps dust and debris in place, leaving less to clean up afterward. Combine these features for the fastest and most powerful finish removal job you will ever encounter.

Features

- Chemical-free floor finish removal saves time, cost and effort
- Rectangular design helps reach corners missed by round pads
- Included dust skirt keeps dust and debris from being scattered
- 3,500 RPM head speed for powerful performance
- 4-stage HEPA filtration for improved indoor air quality
- Anytime cleaning with low 75 dBA
