Model Number: NM2000

Powr-Flite NM2000 New Millenium Edition 20 inch 2000RPM Burnisher Freight Included

Manufacturer: Powr-Flite

Millennium Edition Burnisher 2,000 RPM

Powr-Flite’s new and improved 2,000 RPM Millennium Edition Burnisher features a patented housing design, combined with precision-balanced weight distribution for maximum efficiency. This eliminates the need for a compensating caster, providing complete pad-to-floor contact - unlike conventional burnishers. High RPM and full pad-to-floor contact provide a high gloss "wet look" shine.

Features

- Includes part #X8862 Flexible Pad Driver
- 2,000 RPM burnishers provide great results on all types of floor finishes
- Included 20" flexible pad driver allows full pad-to-floor contact (no compensating caster)
- Thumb-activated safety interlock switch prevents accidental start-ups
- Full-surround, non-marking bumpers help prevent damage to walls and furniture
- Each machine is assembled and tested by skilled American workers
