Manufacturer: Powr-Flite

Millennium Edition Dust-Control Burnisher 2,000 RPM

Powr-Flite’s new 2,000 RPM Millennium Edition Burnisher features a patented housing design, combined with precision-balanced weight distribution for maximum efficiency. This eliminates the need for a compensating caster, providing complete pad-to-floor contact - unlike conventional burnishers. High RPM and full pad-to-floor contact provides that high gloss "wet look" shine.

Features

- Save time and improve air quality with the new dust control skirt
- 2,000 RPM burnishers provide the best results on all types of floor finishes
- Thumb-activated safety interlock switch prevents accidental start-ups
- Full-surround, non-marking bumpers help prevent damage to walls and furniture
- Each machine is assembled and tested by skilled American workers

-FREE Air Mover of our choice of color, brand, size with purchase
