Husqvarna 970461402 CRT36-26A Trowel W/ Wheel Kit 970 46 14-02

Product Description

The Husqvarna CRT 36, 36-inch, ride-on trowel offers high quality results, productivity and operator comfort. One person can easily raise and lower the integrated wheel set from one jack at the rear of machine allowing easy manoeuvrability around the job site. During use, the wheel kit does not block the operator's line of sight. CRT 36 is ideal to finish surfaces from 3,000 sq ft up to 10,000 sq ft. Thanks to the CVT clutch, CRT 36 can be used at low engine speed with pans for the first passes to reach a high level of floor flatness, and can be used also with finishing blades at higher engine speed to burnish the concrete.
