202313109 Powr-Flite NM202 New Millenium 20 inch Dual Speed Floor Machine 1.5 Horsepower Machine and Air Mover

Manufacturer: Powr-Flite

Millennium Edition Dual Speed Floor Machine 20" 1.5 HP

The Powr-Flite 20" 1.5 hp Millennium Edition Dual Speed Floor Machine has the advantage of standard 175 RPM and high 320 RPM speeds for the most aggressive workloads.

Dual speed 175 / 320 RPM machines have the power and speed to spray buff and dry polish tile floors, providing excellent results. Millennium Edition Dual Speed floor machines effectively scrub, strip, spray buff and polish every type of floor. Incorporating a patented noise and vibration-reducing molded housing, the Dual Speed Floor Machines provide versatility for every job.

Features

- Dual 175 / 320 RPM operating speeds
- Patented rotationally molded one-piece housing reduces noise and vibration
- Powerful 1.5 hp motor can handle any job with ease
- All Steel Triple Planetary Gear Box
- Thumb activated safety interlock switch prevents accidental start ups
- Each machine is assembled and tested by our skilled team in Texas

Pad drivers sold separately.

-FREE Air Mover of our choice of color, brand, size with purchase
