Karcher TennantTrue HD Polypropylene Nylon Disk Scrub Brush Assembly 16in 406mm 1220236 (8.805-516.0)

HD Polypropylene Disk Scrub brushes can be used for medium to heavy scrubbing of industrial floors (less aggressive than abrasive or wire materials). TennantTrue® brushes are designed uniquely for Tennant & Nobles machines. Parts are machine specific. Please check your machine model and serial number before ordering.
