

Model Number: 8.805-474.0

Karcher TennantTrue Polypropylene/Wire Double Row Brush 45 x 14in 54925 (8.805-474.0)

Manufacturer: Karcher Pressure Washing

Karcher TennantTrue Polypropylene/Wire Double Row Brush 45 x 14in 54925 (8.805-474.0)

Polypropylene / Wire Cylindrical Sweep & double row brushes. The polypropylene gives this brush good general purpose sweeping ability including damp and high humidity areas, while the wire provides cutting action for impacted dirt or mud. TennantTrue® brushes are designed uniquely for Tennant & Nobles machines. Parts are machine specific. Please check your machine model and serial number before ordering.
