Model Number: 8.805-480.0

Karcher TennantTrue Polypropylene Disk Sweep Brush 26in 660mm 70538 (8.805-480.0)

Manufacturer: Karcher Pressure Washing

Karcher TennantTrue Polypropylene Disk Sweep Brush 26in 660mm 70538 (8.805-480.0)
Polypropylene Disk Sweep brushes have good sweeping performance indoors or out, including damp and high–humidity areas with good dust control. Not recommended for high–temperature applications. TennantTrue® brushes are uniquely designed for Tennant & Nobles machines. Parts are machine specific. Please check your machine model and serial number before ordering.
