Karcher TennantTrue Polypropylene Single Row Brush 28 x 11in 383487 (8.805-505.0)

Manufacturer: Karcher Pressure Washing

Karcher TennantTrue Polypropylene Single Row Brush 28 x 11in 383487 (8.805-505.0)
Polypropylene Cylindrical Sweep – single row brushes have good sweeping performance indoors or out, including damp and high–humidity areas with good dust control. Not recommended for high–temperature applications. TennantTrue® brushes are uniquely designed for Tennant & Nobles machines. Parts are machine specific. Please check your machine model and serial number before ordering.

Fits 6200
