Manufacturer: Legend Brand

Legend Brands 124982 Sapphire Scientific Automatic Waste Pump-Out ,
Replacement 48935 Pump with 123ZYT12-0.5 Motor only / no install kit.

Built for 1000s of hours of trouble-free use!

Unlike other APOs, the impeller pump in this new Sapphire Scientific Automatic Waste Pump-Out requires less maintenance - and offers these key advantages:

- » Powerful 1 HP, 12v DC motor outperforms other auto pump-outs - saves more time than lower-performance units
- » No diaphragms to clean or replace
- » Stainless steel impeller – extremely rugged
- » Designed to last – even with the use of abrasive waste water
- » Field tested for 4000+ hours under full vacuum load for dual-wand cleaning AND flood extraction

This new Automatic Pump-Out will increase your efficiency so you can spend more time cleaning and less time dumping the waste tank!
