Warehouse Floor Cleaner

Designed to pick up and suspend grit and dense concrete-type soil associated with warehouse floors. Eliminates chalking residue other cleaners leave behind. Use on finished or unfinished concrete. Safe for polished and painted concrete floors. No-rinse formula is designed to remove soil and leave a streak-free finish. Developed for floor scrubber machines, this formula is non-foaming, phosphate-free and contains ingredients that protect from scale and contaminants.

Benefits

- n No Chalky Residue
- n One-Pass Cleaning
- n Environmentally Friendly - Phosphate Free

Dilution Ratio: 1:128, 5 gallons makes 645 gallons
NEW

Directions: INDUSTRIAL USE ONLY. Read the Safety Data Sheet thoroughly before using this product. For routine industrial floor cleaning, use 1 fluid ounce of product per gallon (pH 10.0 at dilution). For heavier soil accumulations, use up to 2 ounces per gallon. For heavy spots, dilute product 1:3 with water, and use as a pre-treatment prior to using the scrubber
