Description
Truckmount Power in a Portable. That might sound like a bold statement, but it’s the truth. Just ask anyone who’s experienced what the Breeze™ can do.

The sources behind the Breeze’s power are the two Mytee® exclusive LX™ vacuum motors, producing up to 250 CFM and 180″ of water lift (13.2″Hg). What’s even better is it’s producing that kind of suction at the carpet.

The Breeze™ AUTO models feature auto-fill and a 3.3 GPM pump-out, making them a great choice if you plan on keeping the machine stationary in a van.
DOES NOT FEATURE CHEMICAL INJECTION
