VersaPro Rotary MultiTasker With 17" Apron / Mercury Boss-1BMT-175 - Boss Multi-tasker 175rpm Floor Machine 13in 17in and 21in Skirts Weights Pad Drivers

Clean every possible floor surface
*Optional accessories pictured are not included with machine.
This versatile floor machine allows the cleaning professional to have the widest array of options and only have to invest in one machine. If you need to clean both large and small areas (13" - 21") with other rotary floor machines, you would have to invest in five different machines. With the Versa Pro, buying one is like getting five. All you have to do to change the size of the cleaning machine is attach an interchangeable apron. Use the 13" apron to get into those tight spaces and cubicles. Use the 21" apron for maximum cleaning coverage in wide-open commercial areas.
