Description
K 1 PACE high power battery cutter has the power and performance you expect from equivalent petrol-powered cutters. Equipped with X-Halt™ brake function for operational safety. Ergonomic and user-friendly with low vibrations, optimally balanced machine and zero COâ„‚ emissions during use. With built-in connectivity so you can easily monitor machine location, runtime, service intervals and receive wireless updates through FOTA (firmware over the air). Powered by Husqvarna PACE battery system with high power and fast charging for impressive productivity and a well-suited match with our specially designed battery blade range for maximised cutting depth and optimised performance. Suitable for concrete pipes, conrete garden plates, cinder blocks etc.
