Manufacturer: Husqvarna Equipment

Husqvarna 967973803 SCREED BV 30i WITH Battery AND CHARGER Driven 36 Volts (Blade Not Included)

Description

The battery-powered BV 30i provides improved ergonomics, easy operation and low maintenance. Thanks to its easy manoeuvring, zero CO₂ emissions during use and no need to purchase and fill oil and petrol, this machine stands for a better work environment. It also enhances flexibility, as it can be used indoors, operates on batteries that fit other Husqvarna battery products and is compatible with all existing BV 30 screed profiles. BV 30i requires very low maintenance. Thanks to its battery-powered engine, there are less wear parts, no oil changes needed and the risk of using the wrong fuel is a thing of the past.
