Square Scrub SS BOS 24 Bucket on a Stick 24in Hard Surface Floor Finish Applicator

Description

Cord-free Finish Applicator For Hard Surface Floors. Are you tired of using the old squeegee and bucket system to apply finish your floors? It's time to try the Bucket On A Stick from Square Scrub! This lightweight, innovative floor finish application solution can save you time and money, without sacrificing the quality that you deserve.

Ergonomically designed and versatile, this commercial use system applies your finishing solution with unparalleled balance and control. With two sizes to choose from- 18" and 24"- you'll be able to handle any kind of job, from wide hallways to tight kitchen corners. The wide bucket system can hold up to 5 quarts of your choice of finishing solution and is easily refilled. You'll enjoy the convenient easy-release handle, and the no-drip clamping mechanism too. The microfiber heads on this bucket system are reusable and replaceable, giving you a smooth, clean finish without the unnecessary waste or expense. The Bucket On A Stick is the best choice for those needing a quick, simple, and cord-free finish application for hard surface floors.

The Bucket On A Stick package includes: base, bucket, handle, and microfiber mop head. Additional mop heads, as well as T-bar attachments can be added, for even greater cleaning power. Reach out to us today at Square Scrub to learn more!
