Husqvarna 970709401 T4000GP Hybrid HEPA Vacuum and 3KW Generator Combo Bundle 70In of Lift GTIN 805544361798

Manufacturer: Husqvarna Equipment

Husqvarna 970709401 T4000GP Hybrid HEPA Vacuum and 3000 Watt Generator Combo Bundle 288Cfm

Description

T4000 GP is an advanced petrol dust extractor developed to manage large amounts of dust. The intuitive controls make the dust extractor easy to start and operate. It is equipped with the Jet Pulse Filter cleaning system, which purges the filter with negative air pressure to effortlessly and safely clean the filter. The machine is designed to stay durable even in tough conditions thanks to its corrosion-resistant steel components. Combine your T4000 GP dust extractor with the PG 400 Petrol floor grinder and you have a perfect match for outdoor floor prep applications. No power cables ensure even better mobility on the job site and more time to work on the project at hand.

Includes 33 ft of 2.5" (63mm) ID vacuum hose and wand

Locking from casters help prevent roll away on sloped driveways.

Generator is recoil pull cord start (non-electric)

80 Inches of Lift X 288 CFM (filters removed) = 23,040 Vacuum Units

366 lbs empty weight

Dimensions 45" x 29" x 63" / 1135mm x 732mm x 1602mm

As of 2024-05-06 the factory has not determined the price for this item.
