Manufacturer: Clean Storm

Clean Storm 20240603, Carpet Cleaning Machine Caster Wheel Set, 5-Inch Locking Swivel and Fixed Casters, 4-Pack

Description

The Clean Storm 20240603 Carpet Cleaning Machine Caster Wheel Set is engineered for maximum durability and effortless mobility in demanding commercial and industrial environments. This complete set includes two 5-inch locking swivel casters and a pair of fixed wheels, providing exceptional control, stability, and maneuverability for heavy-duty equipment like carpet extractors, utility carts, and platform trucks. Built with high-quality polyurethane treads, high-impact polypropylene hubs, and bright galvanized steel yokes, these non-marking wheels deliver superior abrasion resistance, quiet operation, and reliable floor protection across all surfaces.

Features

- Heavy-Duty Construction: Manufactured with premium polyurethane treads, high-impact polypropylene, and bright galvanized steel yokes for enhanced longevity and rust resistance.
- High Load Capacity: Supports up to 1,000 lbs per wheel, providing an impressive total load capacity of 4,000 lbs for the 4-piece set.
- Secure Locking Brakes: Equipped with easy-to-engage hand or foot brakes on the swivel casters to ensure stability and safety on uneven surfaces.
- Smooth & Quiet Operation: Engineered for silent, vibration-absorbing movement that eliminates the squeaking and jamming common with traditional wheels.
- Floor-Safe & Non-Marking: Protects all types of flooring surfaces without leaving creases, scuffs, or black marks.
- Versatile Applications: Ideal for carpet cleaning extractors, inventory carts, platform trucks, workbenches, dollies, and other material handling equipment.
