Husqvarna 598886801, Vari-Grind EZ T-Rex Classic R Protective Segment, Dry, Silver Grade, EZchange Wing Connector, 3pc, GTIN 805544436434

Manufacturer: Husqvarna Equipment

Husqvarna 598886801, Vari-Grind EZ T-Rex Classic R Protective Segment, Dry, Silver Grade, EZchange Wing Connector, GTIN 805544436434

#### Description

EZchange<sup>®</sup> tool system featuring double PCD (polycrystalline diamond) claws with or without protective segment. This advanced design enables efficient removal of soft contaminants such as glue. While effectively eliminating unwanted residues, it leaves behind a moderately to highly scratched surface. This system is ideal for most commonly seen contaminant removal applications. Suitable for moderate professional tasks, making it a valuable tool for daily use at Silver level.

#### Feature

- Efficiently removes coatings such as glue, levelling compounds, paint, thin epoxy coatings and tile screeds.
- Efficiently removes all kinds of strongly bonded coatings, adhesives and screeds, such as epoxy, glue and paint.
- The specially designed Husqvarna segment shape optimises the number of active diamonds for improved performance.
- This feature is designed to remove material as efficiently as possible while minimising tool wear, allowing you to achieve consistent, high-quality results.
- The EZchange<sup>®</sup> system allows for quick and hassle-free diamond tool changes without the need for multiple diamond holder discs or time-consuming screw-on systems. Compatible with machines from a variety manufacturers.
